President

As a member of the 23-campus CSU system, Stanislaus State's mission is to advance learning, provide opportunities to develop individuals, provide access to excellent education for all who wish to participate and prepare students for an international, multicultural society.

Here are a few things we’re most proud of:

Nationally Recognized

At Stanislaus State, excellence in academics meets accessibility to higher education. The result is a transformative education that propels our graduates to become changemakers in their families, our region and beyond.
